HISTORY

As the time draws near for us to say farewell to Gatesville High School, we pause and try to recall some of the most cherished memories of the years we have spent in close companionship with the students and teachers of Gatesville High.

It seems only yesterday that, as freshmen, we timidly entered high school. There was a certain pride within us, yet we were reluctant to turn our thoughts away from the time we spent, so carefree, in the elementary grades. Finally we became accustomed to high school and its demands. During this first year, many of the boys experienced the thrill of going to the State Fair, for the first time.

It was in our sophomore year that we first experienced the very efficient teaching of Mrs. Eleanor Cross. All of us remember adjusting to the able way she taught us English and history. Five members of our class joined the Beta Club during that year and enjoyed the thrill of helping elect Richard Freeman State Beta President.

During our Junior year we sold magazines to finance the Junior-Senior banquet. The banquet was a huge success, and its memory will be cherished for years to come. Receiving our class rings was another big event of that year.

Our senior year was mixed with joy and sorrow. We were filled with pride that we had come this far, and yet we were saddened by the thought of saying farewell to those who had stood by us so faithfully during our high school career.

All of us remember selling advertisements for the annual. The trip to Washington sponsored by the Juniors, was one of the highlights of the year.

We, the Class of 1962, hope the classes following us will remember us as fondly as we will always cherish our memories of G. H. S.

LAST WILL AND TESTAMENT

We, the Seniors of Gatesville High School of '62, being of sound and disposing mind, do hereby make, publish, and declare this to be our Last Will and Testament, in manner and form as follows:

To Mr. Askew, our Principal, we leave our thanks and appreciation for the guidance he has given us during the past years.

To all the teachers, we leave great love and appreciation for the education they have helped us acquire.

To the ladies in the lunchroom, we bequeath, many thanks for their well-balanced and well-timed meals.

I, Nancy Taylor, will the office as Editor of the Goober Gazette to Mary Edlar Wiggins.

I, Brown Smith, will my office as President of the Student Council to Corbett Hand.

I, Johnny Greene, leave all my Algebra II grades for Charlie Perkins. (Just in case you'll need them next year, Charlie).

I, Nellie Yelton, will my blonde hair and blue eyes to Carol Brown.

I, John Smith, leave my artistic ability to Carl Taylor.

I, Linda Williford, bequeath my cheerleading skirt and sweater to Sarah Ann Wiggins.

We, Forrest Rountree and Wayne Overton, will our knowledge of Physics to Doris Lowe and Richard Sawyer.

I, Eddie Williams, leave my seriousness to Roy Hall.

I, Judith Johnson, will the office as Editor-In-Chief of the Annual to Vivian Casper.

I, Terry Cox, will my ability to debate to Ed Story.

I, Irma Horton, will my Six Period Study Hall to India Powell.

I, Ray Freeman, leave my basketball suit and my ability to get rebounds to Elton Winslow.

I, Linda Jordan, leave my Chemistry grades to Joy Brown. Joy, there is always room for improvement.

I, Jimmy Parker, leave my height to Freddie Parker.

I, Mary Alice Turner, bequeath my ability to translate French to Larry Felton. (You'll need it next year.)

We, Don Sexton, and Ronnie Evans, will our Pontiacs to Lloyd Webb and Alton Rountree.

I, George Owens, will my knowledge of Geometry to Carolyn Parker.

I, Ronald Gene Buck, will my radio aerial on my '61 Ford to George Williams.

I, Ronnie Parker, will my ability to make high scores on PSAT Tests to Tommy Winn.

I, Wesley Emory, will my "streamline figure" and my theory of being always happy and content to Woody Blanchard.

I, Carolyn Harrell, will my Six Period Study Hall to Carolyn Mitchell. Carolyn, I hope you'll be able to keep the students quiet.

I, Jimmy Harrell, will my interest in filling out cross-word puzzles to Frank Rountree.

I, Pat Eure, will my shared locker to Joyce Ann Mullen with the hopes that you'll not have as much trouble getting your books as I have.

We, Harry Harrell and Mack Powell, will our luck for getting rides to our destination to Earl Horton.

I, Ronnie Williams, will my typewriter to Jackie Eure with the hopes that it will type better for her than it has for me.

I, Carolyn Rountree, will my inability to write the Last Will and Testament to anyone who is drafted to the task next year.
